

Daily Digest

Senate

Chamber Action

Routine Proceedings, pages S4599–S4652

Measures Introduced: Twenty-six bills and three resolutions were introduced, as follows: S. 4370–4395, S. Res. 664–665, and S. Con. Res. 42.

Pages S4632–33

Measures Reported:

S. 4212, to amend title 28, United States Code, to strip foreign sovereign immunity of certain foreign states to secure justice for victims of novel coronavirus in the United States.

Page S4632

Measures Passed:

National Landslide Preparedness Act: Senate passed S. 529, to establish a national program to identify and reduce losses from landslide hazards, to establish a national 3D Elevation Program, after agreeing to the committee amendment in the nature of a substitute, and the following amendment proposed thereto:

Pages S4644–47

Sullivan (for Cantwell) Amendment No. 2500, to improve the authorizations of appropriations.

Page S4647

Coordinated Ocean Observations and Research Act: Senate passed S. 914, to reauthorize the Integrated Coastal and Ocean Observation System Act of 2009, to clarify the authority of the Administrator of the National Oceanic and Atmospheric Administration with respect to post-storm assessments, and to require the establishment of a National Water Center, after agreeing to the following amendment proposed thereto:

Page S4647

Sullivan (for Wicker) Amendment No. 2501, in the nature of a substitute.

Page S4647

Highly Rural Veteran Transportation Program Extension Act: Senate passed S. 850, to extend the authorization of appropriations to the Department of Veterans Affairs for purposes of awarding grants to veterans service organizations for the transportation of highly rural veterans, after agreeing to the committee amendment, and the following amendment proposed thereto:

Pages S4647–48

Sullivan Amendment No. 2502, to require a report by the Secretary of Veterans Affairs on the

transportation of individuals to and from facilities of the Department of Veterans Affairs.

Pages S4647–48

Department of Veterans Affairs Information Technology Reform Act: Senate passed S. 2336, to improve the management of information technology projects and investments of the Department of Veterans Affairs.

Pages S4648–50

National Blueberry Month: Committee on the Judiciary was discharged from further consideration of S. Res. 656, recognizing the importance of the blueberry industry to the United States and designating July 2020 as “National Blueberry Month”, and the resolution was then agreed to.

Page S4650

Gold Star Families Remembrance Week: Senate agreed to S. Res. 664, designating the week of September 20 through September 26, 2020, as “Gold Star Families Remembrance Week”.

Page S4650

House Messages:

Uyghur Human Rights Policy Act: Senate began consideration of the amendment of the House of Representatives to S. 178, to condemn gross human rights violations of ethnic Turkic Muslims in Xinjiang, and calling for an end to arbitrary detention, torture, and harassment of these communities inside and outside China, taking action on the following motion and amendment proposed thereto:

Pages S4617–22

Pending:

McConnell motion to concur in the amendment of the House to the bill, with McConnell Amendment No. 2499, in the nature of a substitute.

Pages S4618–22

During consideration of this measure today, Senate also took the following action:

Senate agreed to the motion to proceed to Legislative Session.

Page S4617

By 47 yeas to 42 nays (Vote No. 153), Senate agreed to the motion to proceed to consideration of the amendment of the House to the bill.

Pages S4617–18

Menezes Nomination—Cloture: Senate began consideration of the nomination of Mark Wesley Menezes, of Virginia, to be Deputy Secretary of Energy.

Pages S4622–26

A motion was entered to close further debate on the nomination, and, in accordance with the provisions of Rule XXII of the Standing Rules of the Senate, and pursuant to the unanimous-consent agreement of Thursday, July 30, 2020, a vote on cloture will occur at 5:30 p.m., on Monday, August 3, 2020. **Page S4650**

Prior to the consideration of this nomination, Senate took the following action:

Senate agreed to the motion to proceed to Executive Session to consider the nomination. **Page S4622**

A unanimous-consent agreement was reached providing that at approximately 3 p.m., on Monday, August 3, 2020, Senate resume consideration of the nomination; and that notwithstanding Rule XXII, Senate vote on the motion to invoke cloture on the nomination at 5:30 p.m., on Monday, August 3, 2020. **Page S4650**

Nominations Confirmed: Senate confirmed the following nominations:

By 71 yeas to 21 nays (Vote No. EX. 152), Derek Kan, of California, to be Deputy Director of the Office of Management and Budget. **Pages S4600–16**

4 Air Force nominations in the rank of general.

107 Army nominations in the rank of general.

1 Navy nomination in the rank of admiral.

Routine lists in the Air Force, Army, Navy, and Space Force. **Pages S4626–29**

Amendments Submitted: **Pages S4638–44**

Authorities for Committees to Meet: **Page S4644**

Record Votes: Two record votes were taken today. (Total—153) **Pages S4616–18**

Adjournment: Senate convened at 10 a.m. and adjourned at 5:42 p.m., until 3 p.m. on Monday, August 3, 2020. (For Senate's program, see the remarks of the Acting Majority Leader in today's Record on page S4650.)

Committee Meetings

(Committees not listed did not meet)

U.S. ECONOMIC POLICIES

Committee on Commerce, Science, and Transportation: Subcommittee on Security concluded a hearing to examine the China challenge, focusing on realignment of United States economic policies to build resiliency and competitiveness, after receiving testimony from Michael Wessel, Commissioner, United States-China Economic and Security Review Commission; Keith Krach, Under Secretary of State for Economic Growth, Energy, and Environment; Nazak Nikakhtar, Assistant Secretary of Commerce, International Trade Administration, Industry and Analysis; and Rush Doshi, Brookings Institution China Strategy Initiative, Washington, D.C.

U.S. MEDICAL SUPPLY CHAIN

Committee on Finance: Committee concluded a hearing to examine protecting the reliability of the United States medical supply chain during the COVID-19 pandemic, after receiving testimony from Cathy Denning, Vizient, Irving, Texas; Robert J. Wiehe, UC Health, Cincinnati, Ohio; Charles Johnson, International Safety Equipment Association, Arlington, Virginia; and Ernest Grant, American Nurses Association, Silver Spring, Maryland.

DEPARTMENT OF STATE BUDGET

Committee on Foreign Relations: Committee concluded a hearing to examine the President's proposed budget request for fiscal year 2021 for the Department of State, after receiving testimony from Michael R. Pompeo, Secretary of State.

BUSINESS MEETING

Committee on the Judiciary: Committee ordered favorably reported the following business items:

S. 4212, to amend title 28, United States Code, to strip foreign sovereign immunity of certain foreign states to secure justice for victims of novel coronavirus in the United States; and

The nominations of David W. Dugan, and Stephen P. McGlynn, both to be a United States District Judge for the Southern District of Illinois, Hala Y. Jarbou, to be United States District Judge for the Western District of Michigan, Iain D. Johnston, and Franklin Ulyses Valderrama, both to be a United States District Judge for the Northern District of Illinois, and Roderick C. Young, to be United States District Judge for the Eastern District of Virginia.

House of Representatives

Chamber Action

Public Bills and Resolutions Introduced: 37 public bills, H.R. 7856–7892; and 4 resolutions, H. Con. Res. 109; and H. Res. 1071–1073, were introduced. **Pages H4188–89**

Additional Cosponsors: **Pages H4190–91**

Report Filed: A report was filed today as follows: Committee on Ethics. In the Matter of Allegations Relating to Representative David Schweikert (H. Rept. 116–465). **Pages H4187–88**

Speaker: Read a letter from the Speaker wherein she appointed Representative Cuellar to act as Speaker pro tempore for today. **Page H3985**

Recess: The House recessed at 9:50 and reconvened at 10 a.m. **Page H3991**

Recess: The House recessed at 3:07 p.m. and reconvened at 6:30 p.m. **Page H4174**

Department of Defense Appropriations Act, 2021: The House considered H.R. 7617, making appropriations for the Department of Defense for the fiscal year ending September 30, 2021. Consideration is expected to resume tomorrow, July 31st. **Pages H3994–H4174, H4174–76**

Pursuant to the Rule, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 116–60, modified by the amendment printed in part A of H. Rept. 116–461, shall be considered as adopted. **Page H3994**

Agreed to:

Lowey en bloc amendment No. 1 consisting of the following amendments printed in part B of H. Rept. 116–461: Allred (No. 1) that increases Research, Test, Development, & Evaluation, Navy by \$7.7 million for the intent that \$7.7 million will be used for the Tactical Air Directional Infrared Countermeasures in order to match appropriation with authorization; Blunt Rochester (No. 4) that increases Air Force RDT&E by \$5,000,000 for facility security design and construction to meet classified project requirements and decreases O&M, Space Force by \$5,000,000; Brown (MD) (No. 6) that reduces Research and Development, Army by \$5,000,000 and increases the Defense Wide Research, Development, Test, and Evaluation account by \$5,000,000 in Basic Research Initiatives, Line 3, PE 0601110D8Z for the START research consortium of excellence for irregular warfare and advanced analytics; Brown (MD) (No. 7) that reduces Research and Development, Army by \$5,000,000 and increases the Defense Wide Research, Development,

Test, and Evaluation account by \$5,000,000 for cyber resiliency efforts in the Central Test and Evaluation Investment Program (CTEIP); Carbajal (No. 9) that increases RDTE, Army by \$4 million to fund university and industry research centers to pursue biotechnology advancements in materials, synthetic biology, and cognitive neuroscience; Cooper (No. 13) that increases and decreases O&M Defense-Wide by \$3 million to indicate support for JASON scientific advisory group within the Office of Undersecretary of Defense for Acquisition and Sustainment; Escobar (No. 18) that ensures the U.S. military is not used in violation of 1st Amendment rights; Malinowski (No. 36) that prohibits the use of DOD funds to require software & hardware companies to include backdoors & vulnerabilities or to scrap key privacy and safety features in their consumer goods; Matsui (No. 37) that increases by \$4,500,000 the funds provided under the Defense Health Program made available to the United States Army Medical Research and Development Command to carry out the Congressionally Directed Medical Research Program; it would transfer DHP funds from operation and maintenance to research, development, test, and evaluation; McBath (No. 38) that increases and decreases by \$250,000 for research, development, test, and evaluation for the Air Force, to indicate support for a study on how to best leverage ongoing commercial investments in high-speed aircraft to support Air Force Intelligence Surveillance and Reconnaissance (ISR) modernization, including consideration of operations in contested environments; Moulton (No. 44) that increases and decreases by \$5,000,000 funding for Department of Defense security cooperation programs in order to establish a pilot program to demonstrate regional cyber cooperation in Southeast Asia; Norton (No. 48) that increases and decreases by \$2.5 million for research, development, test, and evaluation for the Air Force, with the intent that the \$2.5 million will be used for the Small Business Innovation Research topic SB152–008; Peters (No. 53) that increase Navy RDT&E by \$2,500,000 and decrease O&M by the same amount; Scanlon (No. 57) that increases and decreases by \$5 million funding for Air Force Research, Development, Test and Evaluation for purposes of supporting Aerial Reconfigurable Embedded System modular VTOLUAS; Sherrill (No. 60) that increases and decreases the Research, Development, Test, and Evaluation, Defense-Wide account by \$5 million, directed to the Chemical and Biological Defense Program, to

support military-civilian partnerships on the development of decontamination technologies for pandemic preparedness and response; Sherrill (No. 61) that increases funding for Munition Standardization, Effectiveness, and Safety to support research into foamable celluloid materials for enhanced munitions performance and cost reduction; Sherrill (No. 62) that increases funding for Joint Munition Technology for research into advanced energetic materials for long-range munitions, increasing their range and lethality; Speier (No. 66) that prevents DoD from spending funds to implement a ban on military service of transgender Americans; Torres Small (NM) (No. 75) that increases and decreases by \$5 million for research, development, test, and evaluation, Defense-wide, with the intent that the \$5 million will be used for Missile Defense Agency's Advanced Research Program related to high-speed flight experiment testing; Adams (No. 84) that prohibits the use of Department of Justice funds to acquire chemical agents, such as tear gas; Cohen (No. 93) that prohibits the use of funds to enter into any new contract, grant, or cooperative agreement with any Trump related business listed in the President Trump's Annual Financial Disclosure Report submitted to the Office of Government Ethics as well as certain Trump related properties listed on the Trump Organization's website; Escobar (No. 94) that prohibits funds from being used to enforce the zero-tolerance prosecution policy at the Department of Justice; Escobar (No. 95) that ensures that federal law enforcement is not used in violation of 1st Amendment rights; Horsford (No. 100) that nullifies the effect of the recent executive order that requires Federal agencies to share citizenship data; Jayapal; (No. 103) that transfers \$2 million from Department of Justice general administration account to a National Center for Restorative Justice; Ted Lieu (CA) (No. 106) that prohibits funds from being used for DOJ's Operation Legend and Operation Relentless Pursuit, which are being used to send federal law enforcement officers into various cities across the U.S.; Malinowski (No. 109) that increases and decreases by \$1,000,000 the Department of Justice's National Security Division to emphasize the need for more resources into domestic terrorism investigation and prosecution such as the Counsel for Domestic Terrorism; McNerney (No. 115) that increases and decreases by \$5,000,000 the National Science Foundation's Research and Related Activities budget to support a National Academy of Sciences study on the optimal approaches and procedures for implementing partisan symmetry and compactness criteria for congressional district selection; Meng (No. 117) that prohibits use of funds made available by this Act to implement, administer, or enforce the Presi-

dential Memorandum on Excluding Illegal Aliens From the Apportionment Base Following the 2020 Census, issued on July 21, 2020; Norton (No. 124) that prohibits the Federal Bureau of Prisons from using funds to impose subsistence fees on individuals in halfway houses or on home confinement; Ocasio-Cortez (No. 125) that prohibits any funds under Division B to be used to purchase chemical weapons for law enforcement purposes; Omar (No. 126) that increases funding for Bureau of Economic Analysis for the purpose of studying the economic impacts of a universal basic income program on the national economic recovery effort; Omar (No. 127) that transfers \$500,000 to the Federal Prison System to highlight the importance of providing cost-free reading and learning materials in detention facilities; Scanlon (No. 136) that increases and decreases funds in the Department of Justice Salaries and Expenses account in order to give funds to the Office of Access to Justice, which provides access to legal aid for individuals in need; Scott (VA) (No. 139) that prohibits the use of funds made available by this Act for the Equal Employment Opportunity Commission (EEOC) to finalize, issue or enforce the proposed rule entitled "Official Time in Federal Sector Cases Before the Commission" published in the Federal Register on December 11, 2019; Speier (No. 141) that increases funding for DOJ's Community Relations Service by \$2.7 million in order to support hiring of regional directors and mediation specialists to work within communities to facilitate dialogue and provide mediation, training, and consultation when conflicts arise based on race, color, national origin, sex, religion, or disability; and Tlaib (No. 146) that prohibits funds from being used by the Department of Justice (DOJ) to implement, administer, or enforce the DOJ rule requiring DNA collection from immigration detainees;

Pages H4124–29

Lowey en bloc amendment No. 2 consisting of the following amendments printed in part B of H. Rept. 116–461: Bacon (No. 2) that increases and Decreases Defense Health Program funding by \$5,000,000 for the purpose of developing a digital solution prototype to improve total force and military family wellness, readiness and resiliency; Beyer (No. 3) that matches appropriation to authorization for the Direct Air Capture and Blue Carbon Removal Technology Program; Brindisi (No. 5) that increases Air Force RDT&E by \$5 million for B–2 bomber maintenance training system modernization. Offset is Defense-Wide O&M; Carbajal (No. 8) that increases Army RDTE by \$4 million for the completion of an anthropomorphic study for body armor modernization; Carson (IN) (No. 10) that provides \$5,000,000 in additional funding for pancreatic cancer research,

including early detection, at the Department of Defense (DoD); Chabot (No. 11) that increases and decreases by \$5M for Army, RDT&E; the intent of the amendment is to provide \$5.0M for demonstration of the AH-64 dual-piloted portion of the CROSSBOW System; Cicilline (No. 12) that increases funding for the Defense Established Program to Stimulate Competitive Research (DEPSCoR) program by \$2 million; Crawford (No. 14) that moves \$500,000 from Defense-wide O&M to Army O&M to fund a history of Explosive Ordnance Disposal project at the Army War College; Crow (No. 15) that increases funding for the purposes of cUAS technology integration with robotic combat vehicles; Cunningham (No. 16) that increases funding for Research, Development, Test and Evaluation, Navy by \$5 million to be used for the Navy's Network and Data Center Intelligent Agent program, which will help facilitate the application of novel technologies to improve troubleshooting of onboard ship data centers; Dingell (No. 17) that provides for an additional \$5 million for the Fisher House Foundation which is offset by an outlay neutral reduction in the Operation and Maintenance, Defense-wide account; Graves (LA) (No. 20) that increases and decreases the Army RDTE budget by \$3 million develop and test biomedical approaches to nutrition, metabolism, and human psychology to enhance warfighter capabilities and reduce health risks; Grothman (No. 21) that provides an increase of \$31.306 million in Procurement, Marine Corps account to restore necessary funding for Joint Light Tactical Vehicle (JLTV) production; decreases Operation and Maintenance, Defense-Wide by the same amount to meet required budgetary offsets; Guest (No. 22) that prohibits funds from being used to implement the Air Force's proposed conversion of 11 Air National Guard KC-135 Aircraft from Primary Aerospace Vehicle Inventory (PAI) to Backup Aerospace Vehicle Inventory (BAI) until KC-46 deliveries meet the readiness goals of Air Force and Air National Guard; Hartzler (No. 23) that increases and decreases by \$5 million the Defense Health Program's operations and maintenance account in order to direct that \$5 million be used to provide funding for DoD medical providers to utilize non-profit, community-based, post traumatic growth organizations as a treatment option for PTSD, Suicide Prevention and for promoting service member resilience; Hartzler (No. 24) that provides \$5 million to support safety ejection seat upgrades for the T-38; Hern (OK) (No. 25) that increases and decreases by \$3 million for research, development, test, and evaluation for the Army, with the intent that the \$3 million will be used for cyber initiatives; Horn (OK) (No. 26) that increases funding to Army Aircraft Procurement for the procurement of addi-

tional litter attached load stability systems to be deployed at the bottom of the helicopter hoist; Horn (OK) (No. 27) that decreases the Defense Wide Operations and Maintenance Account by \$4,000,000 and increases the Research, Development, Test and Evaluation, Army Account by \$4,000,000 for Long Range Precision Fires Technology in order to fulfill the Army's urgent need for the development and integration of precision strike munitions capabilities in Global Position System (GPS) contested environments; Hudson (No. 28) that decreases and increases by \$382,084,000 for the Defense Logistics Agency to underscore the need to improve efforts to address bribery, fraud, and corruption within DLA; Jackson Lee (No. 29) that increases and decreases the Department of Defense Military Retirement Fund by \$2 million to provide the Secretary of Defense the flexibility needed for technical assistance for U.S. military women to military women in other countries combating violence targeting women and children as a weapon of war, terrorism, human trafficking, and narcotics trafficking; Jackson Lee (No. 30) that reduces funding for Operations and Maintenance-Defense Wide, by \$5 million and increases funding for Defense HealthCare for PTSD by \$5 million; Jackson Lee (No. 31) that reduces funding for Operations and Maintenance-Defense Wide, by \$10 million and increases funding for Defense HealthCare for Triple Negative Breast Cancer (TNBC) by \$10 million; Lamb (No. 32) that provides an additional \$4,000,000 for Navy Research, Development, Testing, and Evaluation and directs those resources to novel therapeutic interventions research under the Warfighter Protection Advance Technology program to improve warfighter resilience and readiness; Levin (CA) (No. 33) that provides \$4 million for the Link-16 Space Experiment to demonstrate the ability to add real-time sensor-to-shooter integration to Link-16 on satellites that would help increase mission speed and safety; Loeb sack (No. 34) that increases funding available by \$2 million for the United States Army Medical Research and Development Command to carry research for Tuberos Sclerosis Complex Research Program (TSCR) in Defense Health Program; Lynch (No. 35) that increases and decreases the Operation and Maintenance, Defense-wide account by \$5 Million to provide funding for the Defense POW/MIA Accounting Agency; Mitchell (No. 40) that increases and decreases Research, Development, Technology and Evaluation, Defense-Wide to increase funding for weldable ultra hard armor; Mitchell (No. 41) that increases and decreases Other Procurement, Army account to restore the Army's investments in HMMWV anti-lock brake system and electronic stability control retrofit kits to prevent rollover accidents; Moolenaar (No. 42) that

provides \$10,000,000 in National Guard Personnel, Army funding for Operation Northern Strike, equal to FY20 enacted level; Moulton (No. 43) that increases Research, Development, Test & Evaluation, Defense-Wide by \$20,000,000 and decreases Operation & Maintenance, Defense-Wide by the same amount; Moulton (No. 45) that increases and decreases the Drug Interdiction and Counter-Drug Activities, Defense account by \$4 million funding in order to restore funding for the Young Marines to historic levels; Murphy (FL) (No. 46) that increases and decreases the Army's Research, Development, Test and Evaluation budget activity by \$5 million, to indicate support for the Synthetic Training Environment Refinement and Prototyping program element, funded in the bill at \$129,547,000; Panetta (No. 50) that resources the Army's Future Vertical Lift Advanced Technology program to support an upgraded head mounted display and enhance flight safety in degraded visual environments (snow, dust, rain, night); Panetta (No. 51) that increases and decreases the operation and maintenance, defense wide account by \$2 million in order to Resource the USSOCOM Preservation of the Force and Family program to provide support services specifically designed to build resilience, improve operational performance, and ensure force readiness; Pappas (No. 52) that increases and decreases the Defense Health Program account by \$4,000,000 in order to provide funding for the Defense Health Agency's Armed Forces Medical Examiner System's DoD DNA Operations Section to perform DNA testing for DPAA in support of its efforts to identify POW/MIAs; Porter (No. 54) that increases and decreases funding for the Defense Health Program by approximately 0.001% of total Department of Defense funding to highlight the inadequate resources dedicated to suicide prevention program; Posey (No. 55) that provides for an increase to Army OPA for the Joint Effects Targeting System (JETS) by \$5M; reduces funding from O&M, Army-Servicewide Communications account by \$5M; Reschenthaler (No. 56) that increases defense-wide RDTE by \$5 million to establish and scale a domestic supply for strategic metals, specifically titanium, by converting military and industrial scrap materials into aerospace grade powders, which will reduce costs, improve readiness, and reduce dependence on imported strategic metals for use in defense and commercial aerospace systems; Shalala (No. 59) that increases the Research, Development, Test and Evaluation, Defense-Wide program to ensure contract requirements between American universities and Confucius Institutes comply with provisions to protect academic freedom at the institution and prohibits the application of any foreign law on any campus affiliated with the institution, and for other pur-

poses; Slotkin (No. 63) that increases funding for DoD investment in dual-use hardware technologies critical to national security and manufactured in the United States by supporting the National Security Innovation Capital program; Research, Development, Test & Evaluation, Defense-Wide is increased by \$15,000,000, and Operations & Maintenance, Defense Wide is decreased by the same amount; Smith (WA) (No. 64) that increases LPD Class Support Equipment by \$5 million for alternative actuator competition for amphibious ships, and decreases LCS MCM Mission Modules by \$5 million; Speier (No. 67) that increases funding for DoD's Sexual Assault Special Victims' Counsel Program by \$6 million to accommodate increased overall caseloads due to expansion of the program to serve survivors of Domestic Violence and to support compliance with the new NDAA statutory requirement to reduce the caseload per SVC from 50 to 25; Speier (No. 68) that increases funding to support the expansion in the NDAA of DoD's Exceptional Family Member Program by \$6 million, including supporting the hiring of attorneys to advocate for the individualized educational needs of military children served by EFMP; Speier (No. 69) that increases and decreases funding by \$1 million to ensure surveillance systems are operational at key Army facilities, such as the Fort Hood armory where SPC Vanessa Guillén was murdered, which had video surveillance equipment that was not maintained or functioning; Stauber (No. 70) that increases and decreases the Operation and Maintenance, Navy account by \$1,000,000 with the intent of giving the Secretary of the Navy the authority to direct naval ship maintenance at non-homeport shipyards to meet surge capacity should the shipyards meet the requirements of the Navy for ship repair work; Stefanik (No. 71) that increases and decreases funding for the Operation and Maintenance, Defense-Wide account by \$2,500,000 to emphasize the need to fund the National Security Commission on Artificial Intelligence (NSCAI); Stevens (No. 72) that increases and decreases by \$5,000,000 to support research and development in hypersonics and thermal management in the Manufacturing USA Institutes; Suozzi (No. 73) that resources the Navy's Aviation Life Support Mods (#52) to maintain minimum production of the Enhanced Emergency Oxygen System (EEOS) to addresses safety issues for navy aircrews experiencing hypoxia during flight; Thornberry (No. 74) that increases and decreases by \$3.0 million for research, development, test, and evaluation defense-wide, with the intent that the \$3.0 million will be used for Defense Innovation Unit pilot program on talent optimization; Veasey (No. 78) that takes \$5 million in funding away from

the Operations and Maintenance, Defense-Wide Account and gives that \$5 million in funding to the Procurement of Ammunition, Navy and Marine Corps Account; Wilson (No. 80) that prohibits US funding from going to the Badr Organization a militia whose leader participated in the attack on the US Embassy in Baghdad in December 2019; Wilson (No. 81) that prohibits taxpayer funding from going to the Iraqi Popular Mobilization Forces which are largely made up of Iranian backed militias; Young (No. 82) that reduces the Air Force Operations and Maintenance account by \$20 million and increases the Air Force Research, Development, Test, and evaluation by the same amount, for an initial Arctic communications capability; Young (No. 83) that decreases the Defense Wide Operations and Maintenance account by \$10 million and increases the Air Force Operations and Maintenance account by the same amount, for the ISR Operations Office to support the Cyber Operations for Base Resilient Architecture Pilot Program; Bera (No. 86) that increases VAWA grant program accounts by \$1 million to support increased funding for grants enhancing culturally specific services for domestic violence survivors; Bost (No. 89) that increases and decreases International Trade Administration (ITA) Operations and Administration to prioritize ITA Enforcement and Compliance anti-dumping (AD) and countervailing duty (CVD) activities and to direct ITA to report to the Committee on its plans to increase staffing for personnel involved in AD/CVD activities in order to address substantial increases in AD/CVD petitions, orders and reviews; Burgess (No. 90) that increases funding for the Keep Young Athletes Safe Act grant program by \$2.5 million and reduces funding for salaries and expenses at the Department of Commerce by \$2.5 million; Cárdenas (No. 91) that increases funds focusing on girls in the juvenile justice system within the existing Title V program by \$1 million; Cárdenas (No. 92) that increases collaborative mental health and anti-recidivism initiative by \$1 million; Espaillat (No. 96) that increases and decreases the National Science Foundation account by \$10,000,000 to highlight and encourage continued support of undergraduate STEM education at Hispanic-Serving Institutions (HSIs); as authorized by the America COMPETES Act; Gomez (No. 97) that increases funding for the National Institute of Standards and Technology (NIST) by \$5 million to promote the participation of women and people of color in research areas supported by NIST, and reduces funding from Commerce's Departmental Management, Salaries and Expenses account by \$5 million; Gottheimer (No. 99) that increases and decreases the Manufacturing Extension Partnership account by \$1 million to address the supply chain

challenges caused by COVID-19 and the need for additional investment in domestic manufacturing supply lines; Hudson (No. 101) that increases by \$1 million the amount available for research to study the root causes of school violence; Jackson Lee (No. 102) that increases and decreases by \$2,000,000 funding for the Office of Justice Programs grant in order to support programs to engage adult men and young persons to reduce and prevent domestic violence against children; Johnson (TX) (No. 104) that increases and decreases Research and Related Activities by \$1,500,000 to fund a National Academies study on racism in STEM studies and careers; Kuster (No. 105) that increases funding by \$1 million for programs that address violence and abuse in later life; Lipinski (No. 107) that increases and decreases the National Science Foundation Research and Related Activities by \$1,000,000 to highlight the importance of programs that facilitate university research tech transfer, including Innovation Corps; Lowenthal (No. 108) that increases and decreases NASA's Science Missions Directorate by \$30 million to compliment the report language enhancing the small satellite mission launch services; McAdams (No. 110) that increases funding for Internet Crimes Against Children Task Force grants under the DOJ missing and exploited children programs by \$1 million with offsets; McAdams (No. 111) that increases funding to Victims of Child Abuse Act programs to support Child Advocacy Centers that provide services to child survivors of abuse by \$2 million with offsets; McKinley (No. 112) that increases and decreases the Salaries and Expenses account within the Federal Prison System budget by \$2 million in order to direct that \$2 million within the account to be used for recruitment and retention incentive programs at short-staffed facilities; McKinley (No. 114) that increases and decreases NOAA's Procurement, Acquisition, and Construction account by \$2.3 million, in order to direct that \$2.3 million to be used to create a test bed for advanced propulsion and mechanical subsystems that could be utilized in a new green boat design; McNerney (No. 116) that increases and decreases funding for NSF by \$1.5 million in order for NSF to examine, including through workshops, and publish findings on: (1) Which universities are putting out significant peer-reviewed AI research, including based on quantity and number of citations; (2) For each of the universities listed in (1), what specific factors enable their AI research, including computing power, data sets and availability, specialized curriculum, and industry and other partnerships; and (3) How universities not included in (1) could implement the factors in (2) to produce AI research, as well as case studies that universities can look to as examples and potential pilot programs

that the federal government could develop or support to help universities produce AI research; Moore (No. 118) that increases VAWA's Transitional Housing Program by \$2.5 million; Moore (No. 119) that increases VAWA's Sexual Assault Special Program Formula Grant by \$2.5 million; Moulton (No. 120) that provides an additional \$1.5 million in funding for the research and monitoring of North Atlantic Right Whales; Neguse (No. 121) that increases funding for the NASA National Space Grant College and Fellowship Program by \$1 million; Neguse (No. 122) that increases by \$1 million grants to States to upgrade criminal and mental health records for the National Instant Criminal Background Check System; reduces by \$1 million the DOJ General Administration Salaries and Expenses; Neguse (No. 123) that increases and decreases \$1 million to the General Legal Activities account at the Department of Justice to allocate more resources for the enforcement of anti-animal cruelty laws at the DOJ Environment and Natural Resources Division; Omar (No. 128) that provides a \$1 million increase to grants to state and local law enforcement agencies for the expenses associated with the investigation and prosecution of criminal offenses, involving civil rights, authorized by the Emmett Till Unsolved Civil Rights Crimes Reauthorization Act of 2016; Pappas (No. 129) that increases and decreases State and Local Law Enforcement Assistance by \$10,000,000 to support \$10,000,000 in grant money for local law enforcement agencies with fewer than 350 employees to pay for accreditation or re-certification by a national, state, regional, or Tribal professional law enforcement organization; Perry (No. 130) that increases and decreases by \$100,000 for the purpose of developing, enlarging, or strengthening victim services and legal assistance programs for victims of Female Genital Mutilation; Porter (No. 131) that increases funding by \$1 million to investigate and prosecute hate crimes, and to support education and outreach under the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act; Porter (No. 132) that increases funding by \$1 million to address the sexual assault kit backlog; Ruiz (No. 134) that increases funding for Law Enforcement Mental Health and Wellness Act program grants by \$2.5 million; Rush (No. 135) that increases funding for community-based violence prevention initiatives; Schneider (No. 137) that increases and decreases FBI Salaries and Expenses by \$1 million to direct the FBI to develop and implement a process to track and report to Congress on an annual basis on extremist activity in law enforcement, including Federal law enforcement agencies; Schneider (No. 138) that increases and decreases FBI Salaries and Expenses by \$10 million to direct the FBI to assign a special agent or hate

crimes liaison to each field office of the FBI to investigate hate crimes incidents with a nexus to domestic terrorism; Soto (No. 140) that increases and decreases funding for NASA's Planetary Science budget to reaffirm the importance of the Near Earth Object Surveillance Mission (NEOSM) in identifying potentially hazardous near Earth objects and ensures that at least \$40 million of NASA's Planetary Science budget is used to fund NEOSM; Speier (No. 142) that increases funding for the Debbie Smith program by \$4 million to help close the rape kit backlog; Stevens (No. 143) that increases and decreases the NASA Aeronautics account by \$15 million to support the domestic development of lower cost, higher rate production advanced carbon fiber composite structures to meet the multi-functional requirements of subsonic and hypersonic flight, including thermal management, damping, shielding, shock and light-weighting; Stevens (No. 144) that increases and decreases the National Science Foundation's research and related activities account by \$200 million to highlight the work of the NSF on COVID-related research and encourage continued support; Stevens (No. 145) that increases and decreases the National Science Foundation's Education & Human Resources account by \$350 million to highlight NSF's work with K-12 STEM education programs and encourage continued support; and Tonko (No. 147) that increases and decreases the NOAA operations, research, and facilities account by \$2,000,000 in order to reserve the \$2,000,000 to establish the Boundary Layer Observations and Wind Profiler Research Program;

Walberg amendment (No. 149 printed in part B of H. Rept. 116-461) that prohibits use of funds for "adoptive seizures," wherein law enforcement evades stricter state laws governing civil asset forfeiture by seizing property and referring it to federal authorities;

Page H4143

Visclosky en bloc amendment No. 4 consisting of the following amendments printed in part B of H. Rept. 116-461: Waters (No. 150) that states that no funds in this act may be used to interfere with the duties and responsibilities of United States Attorneys; Bergman (No. 153) that increases funding for the U.S. Army Corps of Engineers (USACE) Regulatory Program by \$5,000,000 for the purpose of ensuring timely processing of permits related to Great Lakes flooding and rising water levels, including through the promotion and appropriate application of After the Fact Permits described in 33 CFR 326.3(e) which may help USACE process many small-scale requests in a swift manner and avoid backlogs; Cooper (No. 156) that increases and decreases the Corps of Engineers investigations account

by \$1.3 million to highlight the need to study adding flood risk management as an authorized purpose for the Old Hickory Lock and Dam and the Cordell Hull Dam and Reservoir; Dingell (No. 157) that increases and decreases FERC's budget by \$3 million for the purpose of emphasizing continued improvements in dam safety, including conducting a technical conference with States to improve safety oversight of hydropower projects; Fletcher (No. 159) that increases and decreases funding for the DOE's Fossil Energy Research and Development account by \$10 million to emphasize support for the testing and evaluation of using deep well injection and geothermal biodegradation to divert and sequester biosolids and other complex waste streams away from land-based disposal options, while reducing carbon emissions; Gianforte (No. 160) that increases and decreases the Water and Related Resources account by \$25 million to underscore that funds should be used for the St. Mary's Rehabilitation Phase One; Gosar (No. 161) that increases funding for critical minerals in Office of Fossil Energy by \$2.5 million and the Office of Energy Efficiency and Renewable Energy by \$600,000 to match the President's FY 21 Budget Request; these increases are offset by a decrease of \$3.1 million from the DOE Departmental General Administration account; Gosar (No. 163) that transfers \$5 million from the Department of Energy's Departmental Administration account to the Cybersecurity, Energy Security, and Emergency Response account; Gosar (No. 164) that transfers \$5 million from the Department of Energy's Departmental Administration account to the Office of Science to highlight the importance of R&D for quantum computing; Lipinski (No. 169) that increases and decreases the Department of Energy Office of Science by \$25,000,000 for the purpose of highlighting support for the Argonne Leadership Computing Facility; Loeb sack (No. 170) that increases and decreases the Energy Efficiency and Renewable Energy account by \$5,000,000 with the intent of supporting the advancement of distributed wind technologies and research; Luján (No. 171) that increases and decreases the Departmental Administration account by \$1,000,000 to emphasize greater flexibility to DOE's research and development offices in administering the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs; Lynch (No. 172) that increases and decreases the USACE Construction Account by \$10 million; McAdams (No. 174) that provides additional funding for the Central Utah Project Completion Act program; McAdams (No. 175) that provides additional funding for the Clean Cities program within DOE; McKinley (No. 176) that transfers \$5 million from the Depart-

ment of Energy's "Departmental Administration" account to the "Fossil Energy Research and Development" account; Morelle (No. 178) that decreases and increases funding by \$1,000,000 for the Inertial Confinement Fusion program within Weapons Activities to emphasize the need to increase funding for cyber infrastructure and remote user access to laser facilities; Perry (No. 180) that increases by \$1,000,000 funding for the EERE's Water Power Technologies Office, offset by a decrease in Departmental Administration; Scalise (No. 182) that increases and decreases funds within the Office of Energy Efficiency and Renewable Energy by \$1 million to emphasize the need to prevent the purchasing of rare earth minerals from Chinese owned mines that employ child labor; Scott (VA) (No. 183) that increases and decreases by \$7 million to highlight the need to support the work of the Office of Science and the timely expansion and renovation of the Continuous Electron Beam Accelerator Facility at Jefferson Lab; Scott (VA) (No. 184) that increases and decreases the U.S. Army Corps of Engineer Construction account by \$78.3 million to underscore the need for increased funding for coastal construction projects; Swalwell (CA) (No. 187) that increases and decreases by \$10 million to emphasize support for the Department of Energy's Hazardous Waste Operations and Emergency Response (HAZWOPER) worker training program, which provides site-specific, quality training for workers to identify hazardous situations and to take appropriate actions to protect themselves and their colleagues, the public, and the environment; Wagner (No. 190) that increases and decreases the U.S. Army Corps of Engineers Construction account by \$20,000,000 to underscore the need to restore funding to the FY20 level (\$30,000,000) for authorized reimbursements for projects with executed project partnership agreements that have completed construction or where non-federal sponsors intend to use the funds for additional water resource development activities; Weber (No. 191) that increases and decreases the Department of Energy's Office of Nuclear Energy by \$235,000,000 to highlight the importance of the Versatile Test Reactor Project; Welch (No. 192) that increases and decreases by \$7 million the Army Corps of Engineers general construction account to emphasize the need for the Army Corps to designate funding to the 542 Program in their 2021 workplan; Young (No. 193) that increases and decreases \$150 million to the Water Power Technologies Office for grants to deploy hydropower, pumped storage and marine energy projects and related transmission infrastructure in low-income, economically distressed, underserved, or rural communities, for which no cost share is required; Cisneros (No. 195) that increases

funding for Small Business Development Centers by \$5 million; Fitzpatrick (No. 197) that increases funding for the “National Archives and Records Administration—Repairs and Restoration” account by \$8,025,000; Graves (LA) (No. 199) that increases and decreases funding to the SBA Disaster Loan Program by \$1 million in order to urge the SBA Administrator to consider a SBA Disaster Loan recipient’s duplication of benefits relief eligibility, under Section 312 of the Stafford Act, before pursuing enforcement actions; Guest (No. 200) that increases the Bank Enterprise Award Program by \$1,000,000 and would be offset by decreasing the General Services Administration’s rent account by the same amount; Krishnamoorthi (No. 202) that prohibition of GSA selling cars that may have a recall on them; Lesko (No. 204) that increases and decreases the Federal Buildings Fund by \$90,000,000 to be directed to the San Luis I Port of Entry in Arizona; Carolyn B. Maloney (NY) (No. 206) that prohibits the Postal Service from using funds appropriated by this Act to implement any changes to standards and operations that will delay mail delivery; Spanberger (No. 212) that directs the Internal Revenue Service to prioritize the reduction of the backlog of taxpayer correspondence that has resulted from COVID–19; Zeldin (No. 217) that prohibits the use of funds for the GSA to market or sell the National Bio and Agro-defense Facility at Plum Island, New York; Bera (No. 220) that increases and decreases the School Improvement Account by \$500,000 with the intent of directing the Department of Education to collect and share best practices for offering online classroom instruction with local education agencies, including resources from the What Works Clearinghouse and lessons learned by schools from the transition to online learning this past school year as a result of COVID–19; Beyer (No. 223) that increases and decreases funds by \$500,000 to highlight the need for a GAO study on standardized tests for college admissions, the accountability and oversight of the organizations managing such tests, efficacy of such tests, impact in admissions decisions, and economic impact on college applicants; Burgess (No. 226) that increases and decreases funds by \$100 million in the Public Health and Social Services Emergency fund to highlight the need for manufacturing process improvements to increase yields of Immunoglobulin G in plasma manufacturing in the United States; Cárdenas (No. 227) that increases funding for the National Child Traumatic Stress Initiative by \$1 million and decreases funding for HHS’s General Departmental Management account by \$1 million; Crow (No. 229) that increases the carve-out for Project SERV from \$5 million to \$6 million, which funds grants to local education agencies for mental

health, counseling, and technical assistance in the wake of traumatic events at schools that are disruptive to learning—such as natural disasters, violence at school, or pandemics; Danny K. Davis (IL) (No. 230) that increases funding to the account of Birth Defects, Development Disabilities, Disabilities and Health by \$2,000,000, and decreases the administration account in the Office of the Secretary of Health and Human Services by \$2,000,000; DeSaulnier (No. 231) that increases and decreases the Department of Labor budget by \$2 million with the intention of funding a study that examines the cost savings of teleworking/telecommuting, specifically as it relates to worker productivity, cost savings to the employer, transportation emission reductions, child care costs, etc; DeSaulnier (No. 232) that increases funding for Statewide Family Engagement Centers at the Department of Education by \$1 million; Escobar (No. 233) that increases and decreases funding by \$1 million in the Substance Abuse and Mental Health Administration (SAMHSA) account to encourage the agency to streamline the application process for SAMHSA grants; Espaillat (No. 236) that increases and decreases by \$10,000,000 to support greater minority patient outreach and minority candidate inclusion by the National Institute of Allergy and Infectious Diseases in clinical trial participation for any vaccine or therapeutics to treat the novel Coronavirus 2019 (COVID–19); Espaillat (No. 238) that increases and decreases funds by \$10 million in Part A of Title III of the ESEA to highlight the need for English Language Acquisition (ELA) grants and technical assistance to local education agencies supporting the education of English learners (ELs); Finkenauer (No. 240) that increases funding by \$5 million for Certified Community Behavioral Health Clinics, decreases \$5 million from the Office of the Secretary account; Gomez (No. 243) that provides an additional \$5 million for the NIH’s National Institute on Minority Health and Health Disparities (NIMHD), decreases \$5 million from the Office of the Secretary account; Gomez (No. 244) that provides an additional \$5 million for the Health Centers program, decreases \$5 million from the Office of the Secretary account; Gottheimer (No. 245) that increases and decreases funds by \$1,000,000 in the Centers For Disease Control And Prevention Environmental Health account to emphasize the importance of every child having access to drinking water at school that’s free of lead and dangerous materials; Gottheimer (No. 246) that increases and decreases the Public Health Emergency Fund by \$1 million to highlight the need for all Members of Congress to have access to the weekly updates on the Strategic

National Stockpile from the Secretary of HHS provided to House and Senate Appropriations Committees; Hastings (No. 247) that provides an additional \$500,000 for civics education, split equally between American History and Civics Academies, and American History and Civics National Activities; Hudson (No. 250) that increases Impact Aid 7003(b) by \$1,000,000 and decreases Department of Education Departmental Management Program Administration fund by \$1,000,000; Jackson Lee (No. 251) that increases and decreases funds by \$10,000,000 increase in funding to support greater diversity in the pool of diabetes research professionals and patients participating in clinical trials; Jackson Lee (No. 252) that increases and decreases funds by \$10,000,000 with the intent of supporting programs that provide outreach and support services targeting program participants at greatest risk of not completing a college degree due to COVID-19 education disruption; Keating (No. 254) that increases the Bureau of Health Workforce account by \$5 million to go toward the Nurse Corps Loan Repayment Program, decreases the Office of the Secretary account by \$5 million; Keating (No. 255) that increases the NIH budget by \$2 million to go towards a study and a report to Congress reviewing the increased use of opioids during the COVID-19 pandemic; Lee (NV) (No. 257) that increases funding for the Full-Service Community Schools Program (FSCS) by \$1 million; Lee (NV) (No. 258) that provides an additional \$1,000,000 to Area Health Education Centers (AHEC) within HRSA's Bureau of Health Workforce account to address shortages and increase diversity in communities', health workforce pipelines by developing education and training networks among local academic institutions and community-based organizations; makes corresponding reduction in the General Departmental Management sub-account of HHS's Office of the Secretary; Luján (No. 261) that increases funding for Comprehensive Opioid Recovery Centers (CORCs) under the SAMHSA Mental Health account by \$8 million, bringing total funding for CORCs to the full \$10 million authorized by the SUPPORT Act; offset by a corresponding reduction to HHS Office of the Secretary; Sean Patrick Maloney (NY) (No. 262) that increases and decreases funding by \$10 million in the Institute of Museum and Library Services account to highlight the need for technological advancements, like Wi-Fi and computers, in Libraries, especially those in communities that are economically distressed; McAdams (No. 263) that increases funding for the Suicide Lifeline program under the SAMHSA Mental Health account by \$4 million with offsets; McBath (No. 265) that increases overall budget for Children and Family Services by \$5,000,000, thereby increasing the budg-

et for FVPSA by \$5,000,000; decrease the General Departmental Management fund under the Office of the HHS Secretary by \$5,000,000; McKinley (No. 266) that provides an additional \$1 million to the Alternatives to Opioids in the Emergency Department which is authorized in Section 7091 of the SUPPORT for Patients and Communities Act; McKinley (No. 267) that funds Sec. 7081 of the SUPPORT Act, preventing overdoses while in emergency rooms by creating a coordinated care model; Norcross (No. 271) that appropriates \$11.5 million for military and civilian partnership for trauma readiness grants as authorized by section 204 of the Pandemic and All-Hazards Preparedness and Advancing Innovation Act of 2019; Omar (No. 272) that transfers \$1 million to the CDC with the intention that the agency use the funds to conduct a study on the health impacts of mercury exposure caused by the use of commercial skin lightening products; Panetta (No. 273) that increases and decreases School Improvement Programs funding by \$1million to emphasize the need for additional funding for the McKinney-Vento Homeless Assistance Act's Education for Homeless Children and Youth program (EHCY); Pappas (No. 274) that increases and decreases by \$4,000,000 funding for NIH Office of the Director in order to establish a pilot program to support research and development jointly with Israel for effective responses to COVID-19; Pascrell (No. 275) that decreases the General Departmental Management funding by \$1 million and provides funding \$1 million for the National Concussion Surveillance System within the Centers for Disease Control and Prevention; Perlmutter (No. 276) that increases the Energy Employees Occupational Illness Program by \$2 million in order to fund the Department of Labor Office of the Ombudsman through Fiscal Year 2021; Perlmutter (No. 277) that increases the Energy Employees Occupational Illness Program by \$300,000 to fund a support contractor for the Advisory Board on Toxic Substances and Worker Health and help the Board fulfill its legislative mandate; Porter (No. 279) that increases funding to provide \$500,000 for the Maternal Mental Health Hotline; Porter (No. 280) that increases funding to provide \$55,500,000 for the Child Care Access Means Parents in School Program (CCAMPIS); Pressley (No. 281) that increases funding by \$5 million for the National Institute of Arthritis and Musculoskeletal and Skin Diseases, which conducts research for alopecia areata, by decreasing the General Departmental Management budget for the Department of Health and Human Services' Office of the Secretary; Richmond (No. 282) that increases and decreases Student Support and Academic Enrichment State Grants by

\$1 million to focus additional efforts on comprehensive dropout prevention programs including those with experiential learning components; Schrier (No. 285) that increases then decreases by \$200 million funding to promote innovation in antibacterial research and development by funding the CARB-X program that develops products directly supporting the government-wide National Action Plan for Combating Antibiotic-Resistant Bacteria; Sherrill (No. 287) that increases the National Institute of Mental health budget by \$5,000,000 to address youth mental health disparities; Smith (NJ) (No. 289) that redirects \$4 million from General Departmental Management at the Department of Health and Human Services to Emerging Zoonotic and Infectious Diseases at the Centers for Disease Control, for Lyme Disease and other Vector-Borne Diseases; Smith (MO) (No. 290) that increases and decreases funds by \$1 million to highlight the need for the Secretary of HHS, in collaboration with the HHS Assistant Secretary for Preparedness and Response, the FDA Commissioner, the CDC Director, and the Secretary for Homeland Security, to determine, and annually update, a list of 300–400 medications for which it is critical that the Federal government ensure availability in the event of a public health emergency; Speier (No. 291) that increases funding for the Rape, Prevention and Education program by \$5.25 million to ensure that diverse stakeholders, including educational institutions, rape crisis centers, community organizations and state agency partners have sufficient resources to implement their programming to prevent sexual violence; Stauber (No. 293) that increases SAMHSA for American Indian and Alaska Native Suicide Prevention by \$2,869,000 to combat the rampant suicide of Native Americans; Stevens (No. 294) that reduces and increases funds by \$5 million in the CDC's Injury Prevention and Control account to highlight the need to fund the CDC's work on drowning prevention; Taylor (No. 295) that requires the Secretary of the Department of Health and Human Services to enter into an agreement with the National Academies of Science, Engineering, and Medicine to commission a report on the differences between state, local, and federal vital statistics and death reporting standards; to provide recommendations on how to harmonize these standards; and provide information on the feasibility of establishing and implementing national standards for vital statistics and death reporting; Trone (No. 300) that increases funding by \$1 million for SAMHSA's mental health programs to implement an Interagency Task Force on Trauma-Informed Care to identify and disseminate evidence-based approaches on prevention and identification of trauma, community-based practices to support children and their families, and op-

portunities for state- and local-level partnerships, as authorized by the SUPPORT for Patients and Communities Act. Decreases by \$1 million the Office of the Secretary—General Departmental Management; Waters (No. 304) that increases funds for the Minority AIDS Initiative by \$5 million and reduces remaining funds for the Office of the Secretary, HHS, General Departmental Management, by the same amount; Waters (No. 305) that increases funds for the BOLD Infrastructure for Alzheimer's Act, within the CDC's "Chronic Disease Prevention and Health Promotion" account, by \$5 million and reduces funds for the Office of the Secretary, HHS, General Departmental Management, by the same amount; Waters (No. 306) that increases funds for the Alliance for Innovation on Maternal Health (AIM) within HRSA's Maternal and Child Health account by \$5 million and reduces funds for the Office of the Secretary, HHS, General Departmental Management, by the same amount; Adams (No. 310) that transfers \$2,000,000 to the Capital Investment Grant program from the Office of the Secretary of Transportation's Office of the Assistant Secretary for Administration; Bera (No. 311) that increases and decreases the Housing Counseling Assistance program by \$1 million to encourage counselors to provide information to clients on federal, state, and local eviction moratoriums, mortgage forbearance, and financial assistance programs in response to the COVID-19 pandemic; Escobar (No. 314) that increases and decreases funding for the Federal-Aid Highways account by \$1 million to highlight the need for collaboration between state and local governments when determining what projects along the U.S.-Mexico border will receive federal funds set aside for border state infrastructure; Gabbard (No. 315) that strikes a provision requiring certain communities to enter into a cost share agreement with the Department of Transportation for a new essential air service contract; Gosar (No. 316) that increases and decreases by \$5 million the FAA's Grant's-In-Aid for Airports account to highlight the need for continued small airport development via the Airport Improvement Program; Graves (LA) (No. 317) that prohibits the Secretary of Housing and Urban Development from using funds in contravention of Section 1210 of the FAA Reauthorization Act of 2018; Heck (No. 318) that increases funding for the Indian Community Development Block Grant Program; Jackson Lee (No. 319) that increases and decreases the National Infrastructure Investments account by \$2,000,000 to emphasize support for urban bicycle and pedestrian safety programs; Jackson Lee (No. 321) that increases and decreases by \$1 million the Federal Rail Administration Safety and Operation's account to emphasize the need to provide dedicated funding to address

community engagement on safety issues related rail-road crossings in urban areas; Lamb (No. 324) that increases funding by \$1 million for the Federal Housing Administration (FHA) for administrative contract expenses, to support better lender and borrower knowledge of mortgage forbearance options for federally backed mortgages in light of COVID-19's impact on mortgage payments, and subtract \$1 million from HUD's Office of Housing; Malinowski (No. 328) that increases funding for the Low or No Emission Grant Program by \$1,500,000 for the purchase of zero and low emission buses; McGovern (No. 329) that increases funding for a radon testing and mitigation resident safety demonstration program by \$3 million; Neguse (No. 330) that increases and decreases by \$1 million the Federal Aviation Administration's Research, Engineering, and Development Program to highlight the importance of investments in noise mitigation research and technologies; Spano (No. 336) that increases funding for the commercial space transportation activities account by \$5.48 million to the fiscal year 2019 authorized level; reduces funding by \$5.48 million for the finance and management activities account; Stanton (No. 337) that clarifies that tribal areas are included when determining the equitable distribution of BUILD grants; Stauber (No. 338) that increases and decreases the PHMSA authorization by \$1,000,000 to highlight the need to conduct a study of corrosion control techniques for leak prevention of regulated above ground storage tanks; and Wexton (No. 340) that increases and decreases the Federal Aviation Administration's Facilities and Equipment account by \$9 million to instruct the FAA to continue the Remote Tower Pilot Program;
