### SUPPLEMENTARY INFORMATION:

#### A. Need for and Use of the Information Collection

Section 7 of the Federal Home Loan Bank Act (Bank Act) vests the management of each Federal Home Loan Bank (Bank) in its board of directors.<sup>1</sup> As required by section 7, each Bank’s board comprises two types of directors: (1) Member directors, who are drawn from the officers and directors of member institutions located in the Bank’s district and who are elected to represent members in a particular state in that district; and (2) independent directors, who are unaffiliated with any of the Bank’s member institutions, but who reside in the Bank’s district and are

<sup>1</sup> See 12 U.S.C. 1427(a)(1).

elected on an at-large basis.<sup>2</sup> Both types of directors serve four-year terms, which are staggered so that approximately one-quarter of a Bank's total directorships are up for election every year.<sup>3</sup> Section 7 and FHFA's implementing regulation, codified at 12 CFR part 1261, establish the eligibility requirements for both types of Bank directors and the professional qualifications for independent directors, and set forth the procedures for their election.

Part 1261 of the regulations requires that each Bank administer its own annual director election process. As part of this process, a Bank must require each nominee for both types of directorship, including any incumbent that may be a candidate for re-election, to complete and return to the Bank a form that solicits information about the candidate's statutory eligibility to serve and, in the case of independent director candidates, about his or her professional qualifications for the directorship being sought.<sup>4</sup> Specifically, member director candidates are required to complete the *Federal Home Loan Bank Member Director Eligibility Certification Form* (*Member Director Eligibility Certification Form*), while independent director candidates must complete the *Federal Home Loan Bank Independent Director Application Form* (*Independent Director Application Form*). Each Bank must also require all of its incumbent directors to certify annually that they continue to meet all eligibility requirements.<sup>5</sup> Member directors do this by completing the *Member Director Eligibility Certification Form* again every year, while independent directors complete the abbreviated *Federal Home Loan Bank Independent Director Annual Certification Form* (*Independent Director Annual Certification Form*) to certify their ongoing eligibility.

The Banks use the information collection contained in the *Independent Director Application Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as independent directors satisfy the statutory eligibility requirements and possess the professional qualifications required under the statute and regulations. Only individuals meeting those requirements and qualifications may serve as an independent director.<sup>6</sup> On an annual basis, the Banks use the information collection contained in the *Independent Director Annual Certification Form* and

part 1261 to determine whether its incumbent independent directors continue to meet the statutory eligibility requirements. The Banks use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as member directors satisfy the statutory eligibility requirements. Only individuals meeting these requirements may serve as a member director.<sup>7</sup> On an annual basis, the Banks also use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether its incumbent member directors continue to meet the statutory eligibility requirements.

The OMB control number for this information collection is 2590-0006. The current clearance for the information collection expired on February 28, 2021. The likely respondents are individuals who are prospective and incumbent Bank directors.

## B. Revisions to the Existing Bank Director Forms

In advance of the 2021 Bank director election cycle, FHFA is revising each of the three Bank Director Application and Certification forms, all of which have existed in substantially their current form since the current statutory requirements for Bank directors were adopted in 2008.

The *Independent Director Application Form*, by far the longest of the three forms at eight pages and requiring a number of essay-type answers, is completed by all independent directorship nominees, including incumbents seeking re-nomination. The information requested on the form is intended to confirm that the nominee is legally eligible to serve as an independent director, has the required professional qualifications for the type of independent directorship being sought, and is of high personal integrity and to identify any potential conflicts of interest of which the Bank should be aware. The proposed revisions would tie the questions more closely to statutory and regulatory requirements, provide more structured answer choices so as to ensure responses are relevant, solicit more comprehensive information on issues about which the Bank must weigh facts to make a legal judgment about the nominee's eligibility, and move most instructions to a separate sheet and otherwise streamline the questions. The revisions should allow

nominees to complete the form more quickly by providing preset answer choices for many questions, permitting attachments in answer to certain questions, and eliminating some superfluous questions. FHFA estimates that, in addition to encouraging more accurate and complete answers, the revisions will reduce the amount of time it takes a nominee to complete the form from three to two hours.

The *Independent Director Annual Certification Form*, which runs two pages including instruction, is completed by incumbent independent directors annually to certify that they remain legally eligible to serve. The existing form provides independent directors with the option merely to check a box stating that "no changes have occurred" with respect to the director's compliance with the statutory eligibility requirements. In the Agency's view, providing this option has resulted in some independent directors overlooking changes in residence or employment that might render them ineligible to continue to serve. As revised, the form would require independent directors to provide current information on residence and employment to allow the Bank to determine whether there may be new information leading to eligibility concerns.

The *Member Director Eligibility Certification Form*, which includes one-and-a-half pages of questions and two pages of instructions (reflecting the fact that the form is used for multiple purposes), is completed both by nominees running for a member directorship and annually by incumbent member directors to certify their continuing eligibility. The form is designed to confirm that member directors and member directorship nominees are legally eligible to serve in the directorship positions they occupy or are seeking. Although some questions on the form will be revised to provide preset answers, the substance of questions on the revised form will remain essentially the same as those on the existing form. The *Member Director Eligibility Certification Form* was most recently revised in August 2020 to remove a notarization requirement (neither of the other two Bank director forms had such a requirement).

The revised questions, including preset answer selections, and instructions for each of the Bank director forms appear at the end of this notice. The final formatting of the revised forms has yet to be determined.

<sup>7</sup> See 12 U.S.C. 1427(a)(3) and (b)(1).

**C. Burden Estimate**

FHFA estimates the total annual hour burden imposed upon respondents by the three Bank director forms comprising this information collection to be 119 hours (39 hours + 50 hours + 30 hours = 119 hours, as detailed below).

The Agency estimates the total annual hour burden on all member director candidates and incumbent member directors associated with review and completion of the *Member Director Eligibility Certification Form* to be 39 hours. This includes a total annual average of 72 member director nominees (24 open seats per year with three nominees for each) completing the form as an application, with 1 response per nominee taking an average of 15 minutes (.25 hours) (72 respondents  $\times$  .25 hours = 18 hours). It also includes a total annual average of 84 incumbent member directors not up for election completing the form as an annual

certification, with 1 response per individual taking an average of 15 minutes (.25 hours) (84 individuals  $\times$  .25 hours = 21 hours).

The Agency estimates the total annual hour burden on all independent director candidates associated with review and completion of the *Independent Director Application Form* to be 50 hours. This includes a total annual average of 25 independent director candidates (22 open seats per year, plus three vacancies, with one nominee for each), with 1 response per individual taking an average of 2.0 hours (25 individuals  $\times$  2.0 hours = 50 hours).

The Agency estimates the total annual hour burden on all incumbent independent directors associated with review and completion of the *Independent Director Annual Certification Form* to be 30 hours. This includes a total annual average of 60 incumbent independent directors not up for election, with 1 response per

individual taking an average of 30 minutes (.5 hours) (60 individuals  $\times$  .5 hours = 30 hours).

**D. Comments Request**

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

## FEDERAL HOME LOAN BANK INDEPENDENT DIRECTOR APPLICATION FORM (REVISED)

**INSTRUCTIONS**

You either have expressed interest in, or have been recommended for, nomination to stand for election as an independent director of the Federal Home Loan Bank of [TO BE COMPLETED BY EACH BANK] (Bank). **If you would like the Bank's board of directors to consider you as a possible nominee for an independent directorship, you must complete and execute this Federal Home Loan Bank Independent Director Application Form and submit it to the Bank on or before [DATE AT LEAST 30 DAYS AFTER BANKS PROVIDES ACCESS TO THE FORM].** If you do not submit a completed and executed Form by that date, you will be deemed to have declined to be considered for nomination.

By law, the Bank's board of directors may nominate you for an independent directorship only if it has verified that you meet the legal eligibility requirements applying to independent directors and possess the professional qualifications that are specified by law for the type of independent directorship for which you are being considered. Your responses to the questions on this Form will assist the Bank in verifying that you are legally eligible, and possess the required professional qualifications, to serve as an independent director of the Bank if elected.

You are eligible to serve as an independent director of the Bank only if you meet all of the following requirements:

- You are a citizen of the United States.
- You are a *bona fide* resident of the Bank District, as determined by meeting either one of the following two sets of criteria:
  - Your principal residence is located in the Bank District; or
  - You both:
    - Own or lease in your own name a residence in the Bank District; and
    - Are employed in a voting state in the Bank District.
- Neither you nor your spouse are:
  - An officer of any Federal Home Loan Bank; or
  - An officer, employee, or director of any member of, or recipient of advances from, the Bank. For purposes of this prohibition:
    - "Advances" includes any form of lending, regardless of whether it is denominated as an "advance"; and
    - "Member" and "recipient of advances" include the institution itself and the institution's holding company, except where the assets of all members or all recipients of advances constitute less than 35 percent of the assets of the holding company, on a consolidated basis.

These eligibility requirements may be found in sections 7(a) and (b) of the Federal Home Loan Bank Act (Bank Act), 12 U.S.C. §§ 1427(a), (b), and in FHFA's regulations at 12 CFR 1261.5(c) and 1261.10.

In addition, you must demonstrate that you possess certain professional qualifications, which differ depending on whether you are seeking nomination for a "regular" or a "public interest" independent directorship. By law, the Bank must designate at least two of the independent directorships on its board as "public interest" directorships. These may be filled only by individuals having, at the time of nomination, more than four (4) years of experience representing consumer or community interests in banking services, credit needs, housing, or consumer financial protections.

**FEDERAL HOME LOAN BANK INDEPENDENT DIRECTOR APPLICATION FORM (REVISED)**

Regular independent directorships—that is, those that are not public interest directorships—must be filled by individuals having, at the time of nomination, experience in or knowledge of one or more of the following areas: auditing and accounting, derivatives, financial management, organizational management, project development, risk management practices, and the law. Such knowledge or experience must be commensurate with that needed to oversee a financial institution with a size and complexity comparable to that of the Bank. The requirements regarding professional qualifications may be found in section 7(a)(3)(B) of the Bank Act, 12 U.S.C. § 1427(a)(3)(B), and in FHFA's regulations at 12 CFR 1261.7(e).

  - ☐ Check if you are seeking a regular independent directorship.

**FEDERAL HOME LOAN BANK INDEPENDENT DIRECTOR APPLICATION FORM (REVISED)*****PUBLIC INTEREST INDEPENDENT DIRECTORSHIP***

If you are seeking a public interest independent directorship, please answer in full Question 12, which pertains to your professional qualifications to serve in that capacity. Although you are not required to do so, you may also answer Questions 13 – 14, regarding professional qualifications requirements for regular independent directors, if you wish to highlight relevant knowledge or experience in the areas addressed in those questions. If you are seeking a regular independent directorship, you may skip to Question 13, although you may choose to answer Question 12, regarding professional qualifications requirements for public interest independent directors, if you wish to highlight relevant knowledge or experience in the areas addressed in that question.

By statute, a nominee for a public interest independent directorship must have “more than 4 years of experience in representing consumer or community interests on banking services, credit needs, housing, or consumer financial protections.” Qualifying experience in one of the four enumerated areas may have been acquired in professional, public service, or volunteer positions, so long as the work done was substantial in terms of time commitment and responsibility. Further, the experience must accrue from activities personally undertaken by the individual seeking nomination as a public interest independent director, as opposed to being attributed based merely on the activities of an organization with which the person was associated. As indicated by the statute’s use of the word “representing,” the experience must have involved advocating for, or otherwise acting primarily for the direct benefit of, consumer or community interests in one of the four enumerated areas. Thus, industry-side experience, even if the activities undertaken may have benefitted consumer or community interests, is generally not qualifying because it does not involve “representing” those interests.

**12. *Representation of Consumer and Community Interests.*** Please explain in detail how you have represented consumer or community interests in banking services, credit needs, housing, or consumer financial protections for more than four years. At a minimum:

- Identify the positions through which you obtained your qualifying experience and specify the dates during which you served in those positions.
- Specify whether those positions involved banking services, credit needs, housing, or consumer financial protections.
- To the extent that your experience was obtained with an organization or agency, describe generally the mission of each such organization or agency and the manner in which its mission is typically fulfilled.
