HISTORICAL AND REVISION NOTES

| Revised Section | Source (U.S. Code) | Source (Statutes at Large) |
|-----------------|--------------------|--|
| 6511 | 41:42. | June 30, 1936, ch. 881, §8, 49 Stat. 2039. |

Paragraph (1) is substituted for “Title III of the act entitled ‘An Act making appropriations for the Treasury and Post Office Departments for the fiscal year ending June 30, 1934, and for other purposes’, approved May 3, 1933 (commonly known as the Buy American Act)” for consistency in the revised title and to correct an error in the source, which incorrectly gives May 3, 1933, rather than March 3, 1933, as the date of approval.

Paragraph (2) is substituted for “the Act entitled ‘An Act relating to the rate of wages for laborers and mechanics employed on public buildings of the United States and the District of Columbia by contractors and subcontractors, and for other purposes’, approved March 3, 1931 (commonly known as the Bacon-Davis Act), as amended from time to time” because of section 5(c) of Public Law 107–217 (40 U.S.C. note prec. 101) and for consistency with title 40.

The words “the labor provisions of Title II of the National Industrial Recovery Act, approved June 16, 1933, as extended” are omitted as obsolete because of section 201 of the Act of June 21, 1938 (ch. 554, 52 Stat. 816), as amended by the Acts of June 27, 1940 (ch. 437, 54 Stat. 633), April 5, 1941 (ch. 40, 55 Stat. 110), and June 27, 1942 (ch. 450, 56 Stat. 410).

The words “or [the labor provisions] of section 7 of the Emergency Relief Appropriation Act, approved April 8, 1935” are omitted as obsolete. The intended reference was probably to section 7 of the Emergency Relief Appropriation Act of 1935 (49 Stat. 118). Section 7 of the Emergency Relief Appropriation Act of 1935 provided that the President shall require certain rates of pay for persons engaged in carrying out projects that were financed by amounts being appropriated in that Act.

Paragraph (3) is substituted for “the Act entitled ‘An Act to provide for the diversification of employment of Federal prisoners, for their training and schooling in trades and occupations, and for other purposes’, approved May 27, 1930, as amended and supplemented by the Act approved June 23, 1934” for consistency with title 18. The Act of May 27, 1930 (ch. 340, 46 Stat. 391) and the Act of June 23, 1934 (ch. 736, 48 Stat. 1211), which were classified to sections 744a to 744n of former title 18, were substantially repealed and were replaced by chapter 307 and section 4162 of title 18 in the codification of title 18 by the Act of June 25, 1948 (ch. 645, 62 Stat. 683). Subsequently, section 4162 of title 18 was repealed by section 218(a)(4) of Public Law 98–473 (98 Stat. 2027).

In this chapter:

(1) COMPENSATION.—The term “compensation” means any of the payments or fringe benefits described in section 6703 of this title.

(2) SECRETARY.—The term “Secretary” means the Secretary of Labor.

(3) SERVICE EMPLOYEE.—The term “service employee”—

(A) means an individual engaged in the performance of a contract made by the Federal Government and not exempted under section 6702(b) of this title, whether negotiated or advertised, the principal purpose of which is to furnish services in the United States;

(B) includes an individual without regard to any contractual relationship alleged to exist between the individual and a contractor or subcontractor; but

(C) does not include an individual employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in part 541 of title 29, Code of Federal Regulations.

(4) UNITED STATES.—The term “United States”—

(A) includes any State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, the outer Continental Shelf as defined in the Outer Continental Shelf Lands Act (43 U.S.C. §1331 et seq.), American Samoa, Guam, Wake Island, and Johnston Island; but

(B) does not include any other territory under the jurisdiction of the United States or any United States base or possession within a foreign country.

HISTORICAL AND REVISION NOTES

|-----------------|--------------------|--|
| 6701 | 41:357. | Pub. L. 89–286, §8, Oct. 22, 1965, 79 Stat. 1036; Pub. L. 93–57, §1, July 6, 1973, 87 Stat. 140; Pub. L. 94–489, §3, Oct. 13, 1976, 90 Stat. 2358. |

In paragraph (3), the word “individual” is substituted for “person” because of the definition of “person” in 1:1. The words “contract made by the Federal Government” are substituted for “contract entered into by the United States” for consistency in the revised title. The words “as of July 30, 1976, and any subsequent revision of those regulations” are omitted as obsolete.

In paragraph (4)(A), the words “the outer Continental Shelf” are substituted for “Outer Continental Shelf lands” for consistency with the definition in 43:1331 and for consistency with the more common usage generally found in subchapter III of chapter 29 of title 43. The words “Eniwetok Atoll, Kwajalein Atoll” are omitted because they are part of the Marshall Islands and therefore no longer part of the United States. The words “Canton Island” are omitted because it is part of Kiribati and therefore no longer part of the United States.

§ 6703. Required contract terms

A contract, and bid specification for a contract, to which this chapter applies under section 6702 of this title shall contain the following terms:

(1) MINIMUM WAGE.—The contract and bid specification shall contain a provision specifying the minimum wage to be paid to each class of service employee engaged in the performance of the contract or any subcontract, as determined by the Secretary or the Secretary’s authorized representative, in accordance with prevailing rates in the locality, or, where a collective-bargaining agreement covers the service employees, in accordance with the rates provided for in the agreement, including prospective wage increases provided for in the agreement as a result of arm’s length negotiations. In any case the minimum wage may not be less than the minimum wage specified in section 6704 of this title.

(2) FRINGE BENEFITS.—The contract and bid specification shall contain a provision specifying the fringe benefits to be provided to each class of service employee engaged in the performance of the contract or any subcontract, as determined by the Secretary or the Secretary’s authorized representative to be prevailing in the locality, or, where a collective-bargaining agreement covers the service employees, to be provided for under the agreement, including prospective fringe benefit increases provided for in the agreement as a result of arm’s-length negotiations. The fringe benefits shall include medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, unemployment benefits, life insurance, disability and sickness insurance, accident insurance, vacation and holiday pay, costs of apprenticeship or other similar programs and other bona fide fringe benefits not otherwise required by Federal, State, or local law to be provided by the contractor or subcontractor. The obligation under this paragraph may be discharged by furnishing any equivalent combinations of fringe benefits or by making equivalent or differential payments in cash under regulations established by the Secretary.

(3) WORKING CONDITIONS.—The contract and bid specification shall contain a provision specifying that no part of the services covered by this chapter may be performed in buildings or surroundings or under working conditions, provided by or under the control or supervision of the contractor or any subcontractor, which are unsanitary or hazardous or dangerous to the health or safety of service employees engaged to provide the services.
